Terms and Conditions:

1. Only non-Cucumber Communications customers may be referred under this program.
2. The referral must still be using Cucumber Communications and have a good account history 2 months from sign up.
3. Should more than one existing customer sign up the same referral, the first one submitted would be the one credited.
4. Cucumber Communications reserves the right not to accept a referral that does not qualify for this plan under company regulations, without any explanation. (Existing customers should bear in mind that referrals must use a Verizon or Bell provider for their local telephone service in order to qualify. See below for a full list of Bell providers.) Cucumber Communications reserves the right to offer a non-qualified referral a long-distance plan different from the one under this referral program. Should the referral consequently sign up with Cucumber communications, under any alternative plan the existing customer by whom he was referred will receive a \$10.00 commission, provided the referral program is still in place.
5. Only existing Cucumber customers may refer another customer; One may not refer him/herself or a second party of an existing Cucumber account to the program.
6. The \$23.00 commission check applies to direct referrals with the pyramid commission structure consisting of two levels only.
7. Earnings from this program will be issued as checks only and can not be used directly as a credit against a long-distance service account.
8. Cucumber Communications reserves the right to terminate this Referral Program at any time without prior notification or consent.
9. Cucumber Communications reserves the right to terminate this Referral Program at any time without prior notification or consent.

The Procedure:

- Your referral will be switched to our long distance service between 7-14 business days.
- You will receive a check within 8 weeks after you submit a referral form.

Referrals must have one of the following companies as their local telephone carrier in order to qualify for the referral program: Ameritech, Bell South, Central Telephone, Cincinnati Bell, Contel, Frontier, Illinois Bell, Indiana Bell, Michigan Bell, Nevada Bell, Ohio Bell, Pacific Bell, Qwest, SNET, Southwestern, Sprint, Bell, Verizon.
